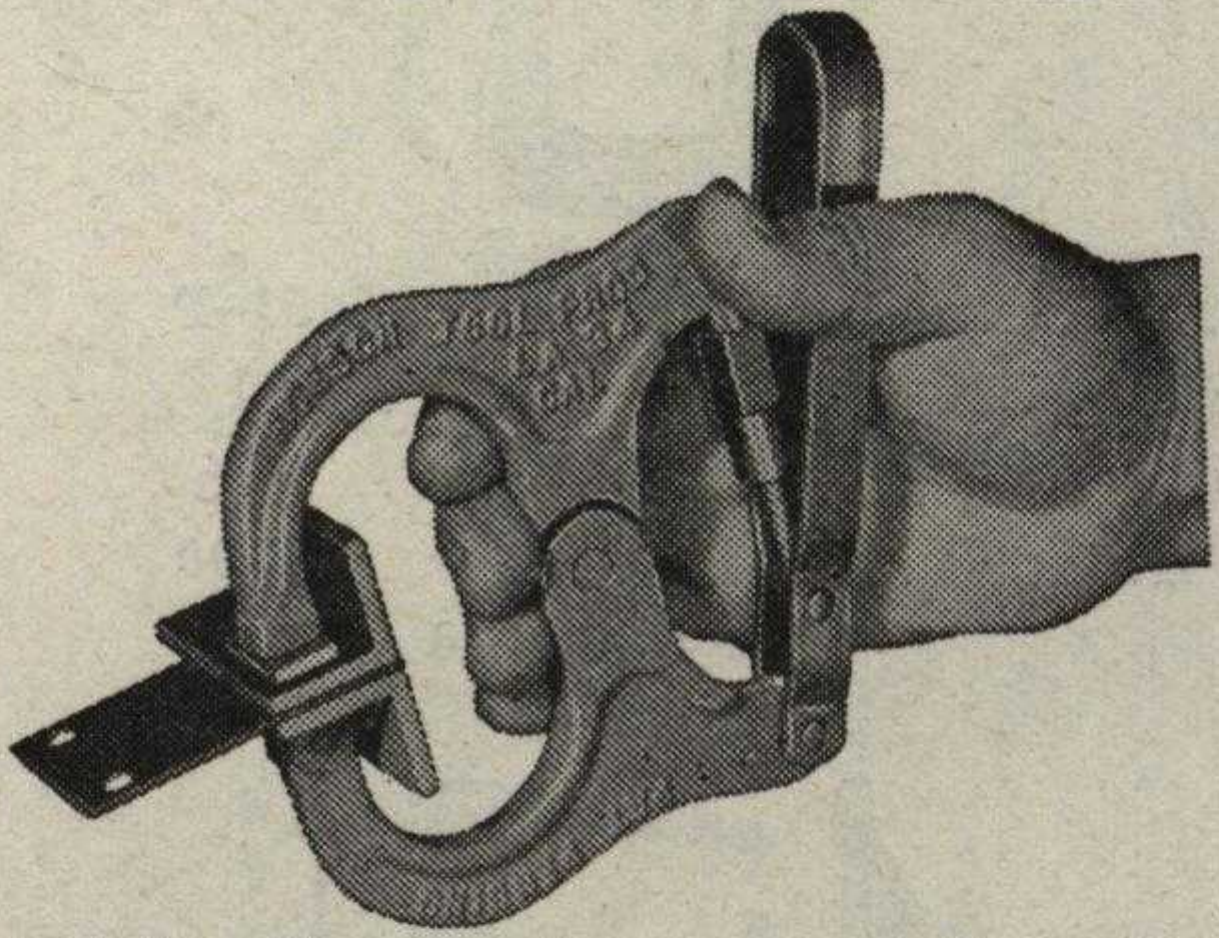
CLAMPS

ROESCH QUICK ACTION CLAMP



A quick acting, one hand operated positive grip clamp for sheet metal, veneers, plastics, etc.

The depth of throat and clearance up and down from the center of gripping position affords easy access to the work where angles and channels are involved. Adjustable toggle handle opens jaws to 2¼ in. Capacity of jaw is adjustable to 1 in. maximum of clamped material when jaws are locked.

No. 3S1.....Each **$2.75**
